## Municipal Airport

*“The Springfield Municipal Airport supports the local businesses and community.”*

The Springfield Municipal Airport is owned and operated by the City of Springfield, supports local businesses and community, and provides a connection to the entire region.

### GENERAL AVIATION (GA)

- Self-service fuel is available 24/7 with a credit card
- A paved 3,402 foot runway with GPS and VOR approaches
- Can accommodate aircraft like the King Air or the Cessna Citation models
- 24/7 access to arrival/departure building with pilot lounge, rest area, restrooms and coffee
- Hangar space available for only \$65 a month
- Supports flight training throughout the region

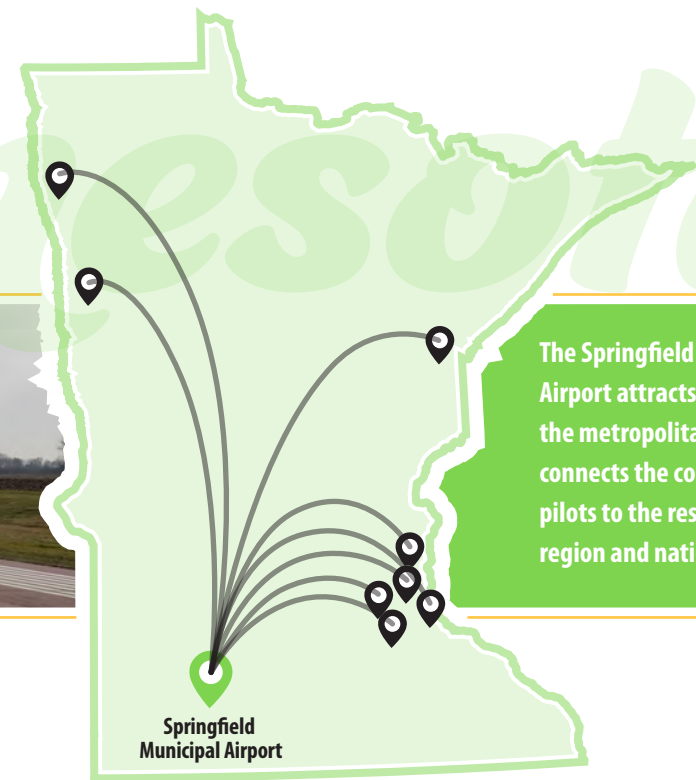

### LOCAL BUSINESS

- A one hour or less flight To Minneapolis, MN; Rochester, MN; and Sioux Falls, SD
- The airport supports local business and turboprop and small jet powered operations
- Aircraft parking is available for business aircraft
- Aircraft have visited from Washington, Montana, Utah and many other areas

### COMMUNITY

- Facilities are available for education events for local clubs and community groups
- Undeveloped land is available for non- aeronautical commercial development
- The Airport connects the City to the region

The Springfield Municipal Airport attracts activity from the metropolitan area and connects the community and pilots to the rest of the state, region and nation.
