

## ORDINANCE NO. 393

Be it ordained by the City Council of the City of Springfield as follows:

That Section 5.01 of the City Code relating to building regulations and licenses is hereby amended to read in its entirety as follows:

### 5.01 Licenses Required.

1. No person shall carry on the business of plumbing within the city, making any connections whatsoever with the water pipes, water mains, or other water service pipes of said city, or making any repairs, or installation of any fixtures connected with or designed to be connected with the water distribution system of said city, without being properly licensed as a plumber under the laws of the state of Minnesota, except agents or employees of the city.
2. No permit for making any connections with the water distribution system of the city or the making of any repairs or installation of any fixtures connected with the water distribution system of said city shall be issued except to a plumber licensed to perform such work under the laws of the State of Minnesota, except such work as is done by the city.

That Sections 5.02, 5.03, 5.04, and 5.05 of the City Code relating to building regulations and licenses are hereby repealed in their entirety.

That Section 5.23 paragraph 14 of the City Code relating to building regulations and licenses be amended to read in its entirety as follows:

14. No person shall make a service connection with any public sewer unless licensed as a plumber under the laws of the State of Minnesota to perform such work, and no permit shall be granted to any person except such licensed person.

That Section 5.24 paragraphs 15 and 16 of the City Code relating to building regulations and licenses are hereby repealed in their entirety.

Adopted and ordered published by the City Council of the City of Springfield, Minnesota, on the 16 day of JUNE, 2009.
